# Welcome to Kindergarten

Dundas Public School

Hi, I'm Buster the Australian Native Bee.  
Dundas Public School has a couple of native bee hives in the school grounds.  
Native bees don't sting and they are very important for a healthy environment.  
I am on every page of this book.  
Can you find me?

.....

Who is taking me to school?

.....

My first day...

What happens when we get there?

*When it is time for the parents to leave we wave goodbye.*

*I put my bag away and say hello to my new friends.*

I say hello to my teacher and I get a special badge with my name on it.

My teacher's name is:

.....

*This could be my classroom...*

*...and maybe I will sit here.*

Some kids might be sad, so maybe I can be their friend and make them happy.

And now we can have fun...

Things we might do in class...

We might paint pictures...

...and our teacher might  
read to us while we  
have Crunch and Sip.

My Year 5 Buddy will show me around the school and help me if I feel lost.

At lunch time...

We have 10 minutes to eat our lunch in the classroom...

...then we go out to play

After lunch...

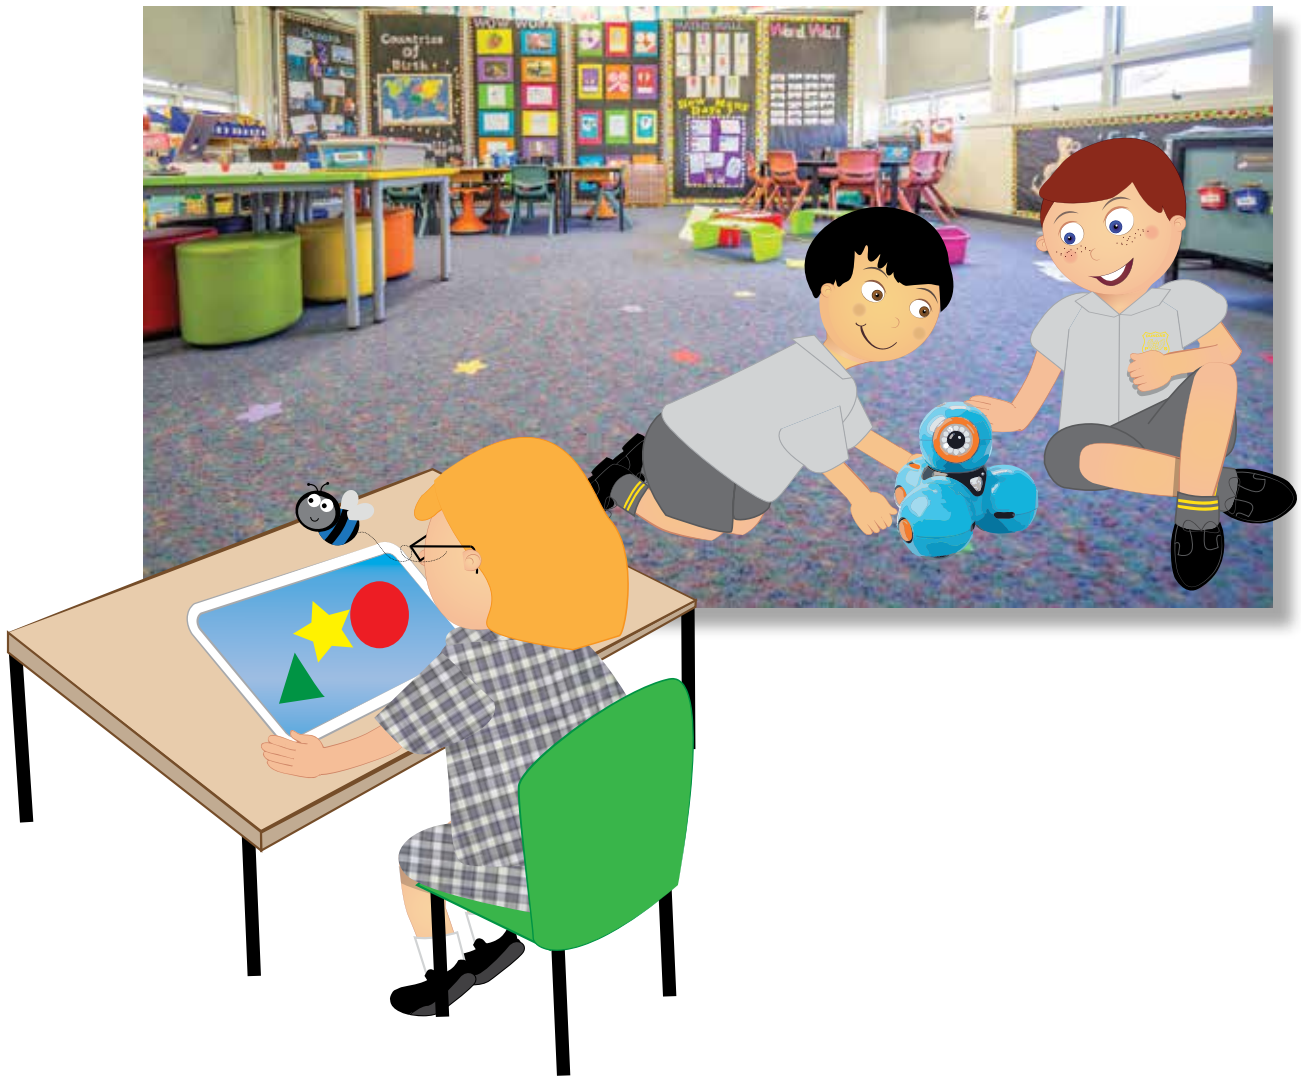

We might learn about nature and the environment...

...or do a maths activity

*After lunch...*

*We might play with the Dash robots...*

*...or we might do work on the iPad.*

*Maybe we will sing a song...*

*...or make something special.*

*At Afternoon Tea...*

*We can go outside to play and eat a healthy snack.*

*I make sure to drink plenty of water.*

The toilet block is in the playground...

There are boys and girls toilets.

We always wash our hands.

When the music plays...

We line up together.

We might go to the library.

In the library we can borrow really interesting books, to take home and read.

If I need to ask my teacher something,  
I have to put my hand up first.

At 3:00 pm it is  
time to go home...

I can tell you about all  
the fun I have had...

...and all the new friends I have made.

*And I can't wait to see...*

*...what fun things I will do tomorrow.*
